Lewis and Clark

Presentation and Book Signing

The Heritage of the Americas Museum, located on the campus of Cuyamaca College in Rancho San Diego, will host a very special presentation and book signing. The event will take place on Saturday, November 12, at the Museum at 1:00 p.m. James Thomas, author of the book, Corps of Discovery – Lewis and Clark, will share information about the exploration of Meriwether Lewis and William Clark and sign copies of his book, which is also sold at the Museum Store. For the presentation, Thomas dresses as an explorer in the early 1800's and brings many items that were used on explorations at the time of the Lewis and Clark expedition.

Thomas is considered one of the leading experts on Lewis and Clark. The book is especially fun to read because he novelized the work. Consequently, it is filled with conversation and you really get to know all of the people on the expedition. This entertaining presentation can be enjoyed by all ages. There will be an admission fee of \$5.00. Children and Museum members are free for all Museum events, as well as for admission.

The Heritage of the Americas Museum is located on the Cuyamaca College Campus just off Jamacha Road across from the Albertson's Shopping Center, 12110 Cuyamaca College Drive West, El Cajon, CA 92019. The Museum is open Tuesday through Friday, 10:00 a.m. to 4:00 p.m., and on Saturday from noon to 4:00 p.m. For more information, please call the Museum at: 619-670-5194.
